NARRATIVE:

Charles Gallant has an extensive adult criminal history that began at the age of 25. His convictions include elder/dependant abuse, domestic violence with injury, robbery, vandalism, battery, attempted grand theft, possession of marijuana, possession of narcotics, multiple cases of intoxication by drugs and alcohol, contempt of court, possession of controlled substances paraphernalia and defrauding an innkeeper. He has served multiple state prison terms, the longest being a 6 year term for elder/dependant abuse. Gallant was released from state prison to the supervision of the Los Angeles County Probation Department on December 6, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2015 after he absconded from post release community supervision (PRCS). Gallant qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for elder/dependant abuse is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
